

CTI Bitcoin ATM and Payment Kiosk

Just like a traditional ATM, you can purchase Bitcoin using cash at one of our automated machines. Once you've made your purchase, your Bitcoin is instantly transferred to your Bitcoin wallet.

HOST A BITCOIN ATM

Earn Extra Revenue

CTI compensates locations that host a Bitcoin ATM generously. Locations earn a monthly payment for simply having one of our machines take up 18"x23" space at their location

Increase Foot Traffic

CTI's ATMs are posted on a network on websites that allow for Bitcoin customers to find the ATM closest to them.

Immediate Transfers

Receive instant on-chain transactions and private keys in minutes.

\$20,000 Daily Limit

CTI/DigitalMint has the highest purchase limit in the industry.

Locations Nationwide

CTI/DigitalMint operates the largest Bitcoin ATM service network in the nation.

Zero Risk. Zero Cost. Monthly Revenue.
